

The World Football League (WFL) was a short-lived American football league that played in 1974 and part of 1975. Although the league's proclaimed ambition was to bring American football onto a worldwide stage, the farthest the WFL reached was placing a team – the Hawaiians – in Honolulu, Hawaii. The league folded midway through its second season, in 1975.

WFL Players / Coach with Iowa Connection

Tommy Campbell
Iowa State University

Defensive Back
1975
Memphis Grizzlies
